

# Kia Stonic

Movement that inspires

Overseas Model Shown.

**OCTOBER 2025**

# Stonic. Designed for a bigger life.

From urban commutes to weekend escapes, the all-new Kia Stonic delivers the perfect compact crossover experience. With room for five and the option of mild-hybrid power and economy, the Stonic makes life effortlessly connected.

Movement that inspires

Overseas Model Shown.

Overseas Model Shown.

## Big on space, huge on technology.

The Kia Stonic may be our smallest crossover, but it pampers and protects with same advanced systems found in our flagship models.

Kia's Opposites United design approach creates an airy and comfortable cabin with room for five adults. A panoramic dual 12.3" touchscreen display presents driver information, navigation and entertainment while supportive new seats and the 6 speaker sound system make road trips a breeze. A wireless charger in the front console\* and multiple USB-C fast-charging ports keep your devices powered wherever you go.

\*GT-Line only.

Overseas Model Shown.

# Fast and Frugal.

The all-new Stonic gives you the choice of smooth and efficient 1.0-litre, turbocharged or petrol powertrain, matched with a seven-speed dual-clutch automatic transmission.

Overseas Model Shown.

# Thinking ahead.

The all-new Kia Stonic protects you those around you with Kia's intelligent Advanced Driving Assistance Systems, including Forward Collision Avoidance Assist with pedestrian, vehicle and cyclist recognition, Lane Keep Assist and Driver Attention Alert.

# Kia Connect™

The Kia Connect app is **your digital co-pilot.**

Use it to set a comfortable cabin temperature before you get in by starting your engine remotely, lock or unlock your Stonic and locate nearby service stations. There's even a Valet Mode that keeps an eye on your Stonic when you hand over the keys to someone else.

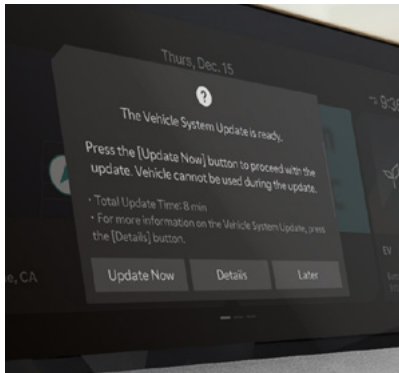

Features and app may vary depending on vehicle grade and are subject to change.

## Over-the-Air (OTA) wireless software updates.

Kia Connect ensures your car always has the latest performance and safety software with Over-the-Air updates.

Receive OTA updates as you drive to improve key vehicle functions, such as powertrain, drivetrain, infotainment system, battery and the advanced driver assistance systems (ADAS).

Just accept the OTA update in your Stonic and you can be confident of having the latest safety and performance features without the need to visit a dealership or service centre.

Information contained herein is for comparative purposes only. Specifications at any given time may vary to the above.

\* Fuel consumption figures are stated for the purpose of comparison. Actual results achieved will differ according to operating conditions and driving style.

\*\* Safety technologies are supplemental systems and do not replace the need for the driver to exercise care and attention.

\*\*\* Leather seats and other fixtures may comprise of genuine leather, and man-made leather-like materials or a combination thereof.

± Not all smartphones / devices may be compatible.

° Apple CarPlayTM requires an iPhone 5 or later. It is recommended to always update your iPhone to the latest iOS release. Use the Apple Lightning cable provided with your phone, or an Apple-certified Lightning cable. Kia cannot guarantee continued compatibility

° Android AutoTM requires an Android phone with Android 5.0 Lollipop or higher. It is recommended to always update your phone to the latest OS release. Use the USB cable provided with your phone. Kia cannot guarantee continued compatibility.

Specifications apply to 2025 (MY25) Stonic models. Kia New Zealand Limited reserves the right to discontinue or change the models, features, specifications, options, designs and prices of products referred to in this brochure without incurring any liability whatsoever to any purchaser or prospective purchaser of any such products

# Kia confidence goes further.

All new Kia Passenger Vehicles come with an impressive 5-Year / 150,000 km (whichever comes first) Warranty Programme covering against manufacturing or assembly defects. This warranty programme is transferable between owners and emphasises our commitment to our customers.

A Roadside Assistance Programme for the duration of the Warranty Period is also offered on every new Kia at no cost. In the unlikely event that your Kia has broken down, help is only a call away and trained staff will be dispatched to your location. If a repair cannot be conducted on the spot, the vehicle will be towed free of charge to the nearest Kia dealer.
