GT-Line Interior. Overseas Model Shown.

Big on space, huge on technology.

The Stonic may be our smallest crossover, but it pampers and protects with same advanced systems found in our flagship models.

Kia's Opposites United design approach creates an airy and comfortable cabin with room for five adults. A 12.3" touchscreen display* presents driver information, navigation and entertainment while supportive new seats and the 6-speaker sound system make road trips a breeze. A wireless charger* in the front console* and multiple USB-C fast-charging ports keep your devices powered wherever you go.

*GT-Line only

Kia confidence goes further.

All new Kia Passenger Vehicles come with an impressive 5-Year / 150,000 km (whichever comes first) Warranty Programme covering against manufacturing or assembly defects. This warranty programme is transferable between owners and emphasises our commitment to our customers.

A Roadside Assistance Programme for the duration of the Warranty Period is also offered on every new Kia at no cost. In the unlikely event that your Kia has broken down, help is only a call away and trained staff will be dispatched to your location. If a repair cannot be conducted on the spot, the vehicle will be towed free of charge to the nearest Kia dealer.

Information contained herein is for comparative purposes only. Specifications at any given time may vary to the above.

* Fuel consumption figures are stated for the purpose of comparison. Actual results achieved will differ according to operating conditions and driving style.

** Safety technologies are supplemental systems and do not replace the need for the driver to exercise care and attention.

*** Leather seats and other fixtures may comprise of genuine leather, and man-made leather-like materials or a combination thereof.

± Not all smartphones / devices may be compatible.

° Apple CarPlay™ requires an iPhone 5 or later. It is recommended to always update your iPhone to the latest iOS release. Use the Apple Lightning cable provided with your phone, or an Apple-certified Lightning cable. Kia cannot guarantee continued compatibility

° Android Auto™ requires an Android phone with Android 5.0 Lollipop or higher. It is recommended to always update your phone to the latest OS release. Use the USB cable provided with your phone. Kia cannot guarantee continued compatibility.
