RIO

1.4L Petrol | 1.0L Turbo

The Power to Surprise

Powerful yet gentle

1.4L Petrol DOHC CVVT

The CVVT petrol engine combines efficiency and power to deliver optimum performance and increase fuel economy.

Max power: 74kW @ 6,000 rpm
Max torque: 133Nm @ 4,000 rpm

6 speed auto or manual

A 6 speed automatic transmission turns the power into a smooth, effortless drive. But if you love going through the gears, you'll love the quick, precise shifts of Rio's 6 speed manual transmission.

6 airbag system

To help protect occupants and potentially reduce injuries in the event of a collision, Rio offers driver and front passenger airbags, 2 front-side airbags and 2 side-curtain airbags.

Electronic Stability Control (ESC)

ESC ensures optimal braking performance and directional control by automatically delivering the right amount of braking force to each wheel according to engine torque and driving conditions.

Peace of mind

Autonomous Emergency Braking (AEB)

Using radar data, the Rio senses the potential for a collision with a car or object ahead and applies emergency braking to avoid or reduce the effects of a collision.

Lane Keep Assist System (LKAS)

This system helps to alert the driver when the vehicle deviates from the traffic lane and automatically assists in steering the vehicle to stay within the lane of travel.

Hill-start Assist Control (HAC)

At a standstill on an incline, HAC prevents you from rolling backwards. By gently applying the brakes, for up to 2 seconds. From the time you lift your foot from the brake pedal, it gives you time to switch your foot smoothly to the accelerator.

Reverse parking sensors

Squeeze into tight parking spots with the help of rear parking sensors. As you reverse, loud beeps alert you the closer you get to a car or object.

Keeping you connected

Rearview camera

The rearview camera helps you keep an eye on what's behind you while reversing. Dynamic guidelines help indicate the path that you're going and will react as you back up.

Satellite navigation

Set the navigation system to help you get to your destination faster. It delivers live traffic information so you know which areas to avoid and suggests alternative routes. Available in EX, LTD and GT Line.

Climate control

Enjoy 1-touch comfort by simply setting your preferred temperature, the automatic system will monitor and maintain the temperature until you change or cancel it. Available in EX, LTD and GT Line.

Supervision cluster with 3.5" LCD display

Customisable supervision cluster keeps you up to date with vehicle and trip data, fuel consumption and outside temperature.

7" Colour touch screen audio system

A vivid 7" colour LCD screen is shared by the rearview camera and the audio system. The large screen makes it simple to select radio stations and operate other audio system controls with the touch of a finger.

Apple CarPlay™ & Android Auto™

Apple CarPlay™ and Android Auto™ connects certain apps on your iPhone or Android smartphone to the Rio's infotainment system. It equips your vehicle's radio with display and control functions when they're plugged into your Kia's USB port.

Audio remote controls & Bluetooth® hands-free

Buttons mounted on the steering wheel let you adjust audio functions while your eyes stay on the road and your hands stay on the wheel. Built-in Bluetooth® connects paired, compatible mobile devices seamlessly, giving you easy access to music streaming and hands-free calls.

Cruise control

Set, adjust or cancel the cruise control system, simply and quickly. Great for those long open road journeys or your daily commute on the motorway.

Electrochromic rearview mirror

Electrochromic rearview mirror automatically controls the glare from the headlights of the vehicle behind you.

Comfort without compromise

Start/Stop button + Smart Key

With the Smart Key in your bag or pocket, you can lock or unlock and even start your Rio at the touch of a button.

Telescopic steering wheel

Make yourself more comfortable by adjusting the tilt of the steering wheel, then pull it closer or push it further away.

Auto defog system

Auto defog system detects any moisture on the windscreen and adjusts the heat and fan settings to clear it.

Rain sensing wipers

When the weather turns foul, rain sensing wipers turn on automatically and adjust the wipe speed depending on the amount of rain. Available on EX, LTD and GT Line.

Get ahead with GT Line

1.0L Petrol Turbo GDI

The Rio GT Line has a 1.0L Turbo GDI petrol engine that offers power, delivers performance, increases fuel economy and at the same time maintains a low carbon emission.

Max power: 88kW @ 6,000 rpm
Max torque: 171Nm @ 1,500 rpm - 4,000 rpm

7 speed DCT transmission

The Rio features a highly responsive 7 speed Dual Clutch Automatic Transmission (DCT) that delivers dynamic acceleration and a smoother transition.

Idle Stop & Go (ISG)

When the Rio GT Line is stopped in traffic, the ISG system will shut off the engine, then restart it immediately when you take your foot off the brake, helping reduce emissions and fuel consumption. Operation conditions apply.

D-shaped steering wheel

The sporty D-cut design steering wheel with GT Line detailing further enhances the interior style to give the Rio GT Line a more sporty look.

Quad LED fog lights

The 'ice-cube' LED fog lights complement the Rio GT Line's sporty exterior while providing a clear view of the road ahead when the weather gets misty or a little foggy.

Front and rear sports bumper

A black gloss front and rear sports bumper design gives the Rio GT Line another point of difference.

Dual exhaust

2 exhaust pipes add another level of sporty impact.

Integrated rear spoiler

Get a sporty look with a gloss black rear spoiler which also holds the high stop brake light on the Rio GT Line.

Specifications, equipment and colours shown in this brochure are subject to change without notice or obligation.

* Fuel consumption figures shown are from standard Australia Design Rules tests and are stated for the purpose of comparison. Actual results achieved will differ according to operating conditions and driving style.

** Not all handsets may be compatible.

[∞] Apple CarPlay: Requires an iPhone 5 or later and it is recommended to always update your iPhone to the latest iOS release. Use the Apple Lightning® cable provided with your phone or, Apple certified Lightning cable.

† Android Auto: Requires an Android phone with Android 5.0 Lollipop or higher. It is recommended to always update your phone to the latest OS release. Use the USB cable provided with your phone. Kia Motors cannot guarantee continued compatibility.

The environment

ECO-CONSCIOUS

So you value sustainable living? We do too.

That's why we take pride in rising to meet the expectations and challenges of the 21st century while making tangible contributions to the preservation of the environment and sustainable development of society.

Our environmental research centre spearheads our drive for the production of clean hybrid and fuel-cell vehicles to lead the way to eco-friendly cars for a greener tomorrow for you, your children and all of us.

From design through to recycling, we create innovative products, adhering to state-of-the-art Design for Recycling (DfR) guidelines. Even at the end of your car's life, we aim for eco-friendly return and treatment.

Operating a rigid process, we guarantee environmental protection in the treatment of harmful waste substances. These are then recycled or recovered, ensuring the highest level of environmental protection.

As you can see, what you do on a small scale with your household refuse, we at Kia Motors do on a large scale.

Services

5 YEAR Warranty Programme (OR UP TO 100,000KMS)

All new Kia Passenger Vehicles come with an impressive 5-Year/100,000 km (whichever comes first) Warranty Programme covering against manufacturing or assembly defects. This warranty programme is transferable between owners and emphasises our commitment to our customers.

5 YEAR Roadside Assist

A Roadside Assistance Programme for the duration of the Warranty Period is also offered on every new Kia at no cost. In the unlikely event that your Kia has broken down, help is only a call away and trained staff will be despatched to your location. If a repair cannot be conducted on the spot, the vehicle will be towed free of charge to the nearest Kia dealer.

INCIDENT CARE

If you and your new Kia were unfortunately involved in an incident or crash that requires body repairs to your Kia, Kia Incident Care is here to help you, and is free for the first five years.

Visit Kia.com/NZ for full details and terms & conditions.
