

DRIVE THE 2020

SPORTAGE

The Power to Surprise

More power and enhanced performance

2.0L Petrol MPI D-CVVT

Max. power 114 kW @ 6,200 rpm
Max. torque 192 Nm @ 4,000 rpm

2.4L Petrol GDI D-CVVT

Max. power 135 kW @ 6,000 rpm
Max. torque 237 Nm @ 4,000 rpm

2.0L CRDi Diesel

Max. power 136 kW @ 4,000 rpm
Max. torque 400 Nm @ 1,750-2,750 rpm

6 speed automatic

A 6 speed automatic transmission turns the power into a smooth, effortless drive.

8 speed automatic

Available on 2.0L AWD Diesel models.

Peace of mind

Autonomous Emergency Braking (AEB)

Using radar data, the Sportage senses the potential for a collision with a car or object ahead and applies emergency braking to avoid or reduce the effects of a collision.

Lane Keep Assist System (LKAS)

This system helps to alert the driver when the vehicle deviates from the traffic lane and may automatically assist in steering the vehicle to stay within the lane of travel.

Smart Cruise Control (SCC)

Radar sensors at the front of the vehicle monitors the distance between you and the vehicle ahead. To maintain a pre-determined safe distance, the system will automatically apply the brakes to reduce speed, and even stops the car if necessary.

Available on 2WD EX, GT Line and AWD LX Plus, EX and GT Line.

6 airbag system

To help protect occupants and potentially reduce injuries in the event of a collision, Sportage offers driver and front passenger airbags, 2 front-side airbags and 2 side-curtain airbags.

Blind Spot Detection (BSD)

The system can detect approaching vehicles within a distance of 70 metres. A visual and / or audible warning will alert you when they enter your blind spot zone, if you're indicating to change lanes.

Available in LX Plus, EX and GT Line.

Rear Cross Traffic Alert (RCTA)

Activated when you put the Sportage into reverse, the system will warn you if it detects any traffic approaching within 20 metres of the rear of the vehicle, which can help avoid accidents when reversing out of a parking space or driveway.

Available in LX Plus, EX and GT Line.

Electronic Stability Control (ESC)

This technology helps you keep stable and safe when simultaneously braking and cornering, especially on wet, slippery or rough roads.

Electronic parking brake

Activate the parking brake by simply pulling the lever instead of pulling the handbrake or pushing the pedal.

Automatic vehicle hold

Holds the Sportage at a standstill without having to keep your foot on the brake.

Available in LX Plus, EX and GT Line.

Comfort without compromise

Start / Stop button & Smart Key

With the smart key in your bag or pocket, you can lock or unlock and even start your Sportage at the touch of a button.

Available in LX Plus, EX and GT Line.

Dual-zone climate control

The dual-zone climate control allows the driver and front passenger to adjust their own personal temperature settings, while the system automatically maintains the desired climate.

Apple CarPlay™ & Android Auto™

Apple Carplay™ and Android Auto™ connects certain apps on your iPhone or Android smartphone to the Sportage's infotainment system. It equips your vehicle's radio with display and control functions when they're plugged into your Kia's USB port.

Audio controls & Bluetooth® hands-free

Buttons on the steering wheel let you adjust audio functions while your eyes stay on the road and your hands stay on the wheel. Built-in Bluetooth® connects paired, compatible mobile devices seamlessly for easy access to music streaming and hands-free calls.

Auto defog system

Auto defog system detects any moisture on the windscreen and adjusts the heat and fan settings to clear it.

Rearview camera & parking sensors

The rearview camera helps you keep an eye on what's behind you while reversing. Dynamic guidelines help indicate the path you're on and will react as you back up.

Ultrasonic sensors on the front and rear bumpers detect objects or pedestrians and indicates your distance.

7" LCD touchscreen with 6 speakers

A vivid 7" colour LCD touchscreen is shared by the rearview camera and the audio system. The large screen makes it simple to select and operate audio system controls with the touch of a finger.

8" LCD touchscreen with JBL® Premium sound system (8 speakers)

Available on GT Line models.

Cargo space

The rear seats split 60:40 and fold completely flat for maximum cargo space of 1,455 litres (VDA).

Get ahead with

Panoramic sunroof

The vast dual-pane panoramic sunroof lets you and your passengers enjoy fresh outdoor breeze as it creates an even more spacious interior ambience.

Available on AWD GT Line.

LED front headlights

LED headlights provide improved illumination for better visibility.

Quad LED fog lights

Quad LED fog lights complement the GT Line's sporty exterior while providing a clear view of the road ahead when the weather gets misty or a little foggy.

Ventilated & heated front seats

3 stage heated seats ensure that both the driver and front seat passenger are snug and warm even on the coldest days. The seats also feature the additional benefit of a 3 stage ventilation system to provide different levels of comfort during the summer.

Wireless smartphone charger*

Easily charge a compatible smartphone while you're on the go using the wireless charging pad at the front of the centre console.

*A compatible mobile device or accessory is required.

Smart power tailgate

Experience ultimate hands-free convenience with the smart power tailgate, which automatically opens when the smart key is detected nearby for 3 seconds or more. You can also adjust and set the height that the tailgate opens to, or switch this option off manually.

D-shaped steering wheel with paddle shifters

The paddle shifters located on the steering wheel allow you to shift gears seamlessly, while the GT detailing design on the steering wheel further enhances the GT Line sporty look.

Alloy sports pedal

Alloy pedals add to the fun of driving. Raised rubber grips help ensure confident footwork.

Dual exhaust

2 exhaust pipes add another level of impact while the silver rear diffuser enhances the sportiness of the GT Line.

Available on AWD GT Line.

Specifications, equipment and colours shown in this brochure are subject to change without notice or obligation.

* Fuel consumption figures shown are from standard Australian Design Rule tests and are stated for the purpose of comparison. Actual results achieved will differ according to operating conditions and driving style. **Not all handsets may be compatible. ***A compatible mobile device or accessory is required. Kia Motors cannot guarantee continued compatibility.

† Apple CarPlay: Requires an iPhone 5 or later and it is recommended to always update your iPhone to the latest iOS release. Use the Apple Lightning® cable provided with your phone or, Apple certified Lightning cable.

† Android Auto: Requires an Android phone with Android 5.0 Lollipop or higher. It is recommended to always update your phone to the latest OS release. Use the USB cable provided with your phone.

The environment

ECO-CONSCIOUS

So you value sustainable living? We do too.

That's why we take pride in rising to meet the expectations and challenges of the 21st century while making tangible contributions to the preservation of the environment and sustainable development of society.

Our environmental research centre spearheads our drive for the production of clean hybrid and fuel-cell vehicles to lead the way to eco-friendly cars for a greener tomorrow for you, your children and all of us.

From design through to recycling, we create innovative products, adhering to state-of-the-art Design for Recycling (DfR) guidelines. Even at the end of your car's life, we aim for eco-friendly return and treatment.

Operating a rigid process, we guarantee environmental protection in the treatment of harmful waste substances. These are then recycled or recovered, ensuring the highest level of environmental protection.

As you can see, what you do on a small scale with your household refuse, we at Kia Motors do on a large scale.

Services

5 YEAR Warranty Programme (OR UP TO 100,000KMS)

All new Kia Passenger Vehicles come with an impressive 5-Year/100,000 km (whichever comes first) Warranty Programme covering against manufacturing or assembly defects. This warranty programme is transferable between owners and emphasises our commitment to our customers.

5 YEAR Roadside Assist

A Roadside Assistance Programme for the duration of the Warranty Period is also offered on every new Kia at no cost. In the unlikely event that your Kia has broken down, help is only a call away and trained staff will be despatched to your location. If a repair cannot be conducted on the spot, the vehicle will be towed free of charge to the nearest Kia dealer.

INCIDENT CARE

If you and your new Kia were unfortunately involved in an incident or crash that requires body repairs to your Kia, Kia Incident Care is here to help you, and is free for the first five years.

Visit Kia.com/NZ for full details and terms & conditions.
