

All new small SUV

SELTOS

2.0 Petrol IVT | 1.6 Turbo AWD

Overseas model shown for illustration purposes only.

The Power to Surprise

Autonomous Emergency Braking (AEB)

Using radar and camera data, the Seltos senses the potential for a collision with a pedestrian, car or object ahead and applies emergency braking to avoid or reduce the effects of a collision.

Lane Keep Assist System

Provides an audio-visual alert when an imminent lane departure is detected. In any case that the vehicle veers out of the lane, it will automatically assist in steering the vehicle to stay within the lane of travel.

Blind Spot Detection (BSD) & Blind Spot Collision Avoidance Assist (BCA)

The BSD system employs visual alerts on the side mirror to inform the driver about vehicles for safer lane changes. The BCA system uses Electronic Stability Control to activate the brakes to avoid or reduce the effects of a potential collision.

Available on LX Plus, EX and LTD.

Rear Cross Traffic Collision Avoidance Assist

Enjoy a peace of mind when you're reversing out of a parking spot or driveway. Rear Cross Traffic Collision Avoidance Assist provides audio visual warnings to alert you of vehicles in blind spots and rear corners of the car, and actively brakes to avoid or reduce effects of a collision.

Available on LX Plus, EX and LTD.

Bold design that catches every eye

Developed by Kia Motors, the Intelligent Variable Transmission (IVT) is designed to provide better transmission efficiency, smoother and more linear acceleration and better fuel economy.

1.6 Turbo AWD is available on LTD.

Safe Exit Alert

This system helps to keep your passengers safe as it detects approaching cars and alerts occupants of dangers to ensure safety when leaving the vehicle.

Available on LTD.

Smart Cruise Control with stop and go

The smart cruise control allows you to set the speed and can automatically adjust the driving speed to help maintain a safe distance from the vehicle ahead.

Available on LX Plus, EX and LTD.

Front and rear parking sensors

For confident parking, ultrasonic sensors mounted on the front and rear bumpers warn of obstacles when manoeuvring into tight spaces.

Available on LX Plus, EX and LTD.

Driver Attention Alert

The system will sound and display a warning in the instrument panel that it is time to take a break from driving when it senses the driver's attention level has been significantly reduced.

The world looks better from the inside

Head-up display

The head-up display is an 8" screen mounted to the dash top, letting you monitor speed, your fuel status and cruise control, without looking away from the road.

Available on LTD.

10.25" colour LCD touchscreen with split screen function

The wide high-resolution touchscreen display allows you to customise the home screen to display navigation, rearview monitor and audio data all at a glance.

Available on LX Plus, EX and LTD.

Bose® premium sound system with 8 speakers

As music is such a big part of a great driving experience, the Seltos Limited is equipped with an 8-speaker BOSE® sound system which employs four door-mounted speakers, a center speaker, two door-mounted tweeters, and a separate subwoofer, all powered by an external amplifier.

Sound Mood Lighting

Transforms the interior of the Seltos Limited with an interior mood lighting system that displays soft lighting in a variety of colours that change at regular intervals, or pulse according to the beat of your music.

Drive mode select

The drive mode dial selector next to the gear lever allows drivers to select from Normal, Eco and Sport with each mode developed to suit driveability.

Wireless smartphone charger*

Easily charge a compatible smartphone while you're on the go using the wireless charging pad at the front of the centre console.

Available on LTD.

*Works with Qi compatible smartphone/devices only.

Smart key with engine start / stop and Remote Start

With the smart key in your pocket or bag, you can lock or unlock and even start your Seltos remotely at the touch of a button.

Available on EX and LTD.

LTD model shown

Rearview camera with dynamic guidelines

The rearview camera gives you peace of mind while reversing and provides dynamic guidelines for easier parking. 8" LCD touchscreen shown.

Apple CarPlay™ and Android Auto™

Apple CarPlay and Android Auto connects certain apps on your iPhone or Android smartphone to the infotainment system. It equips your vehicle's radio with display and control functions when they're plugged into your Seltos' USB port.

Heated and ventilated front seats

3-stage heated seats ensure that both driver and front seat passenger are snug and warm even on the coldest days. The seats also feature the additional benefit of a 3-stage ventilation system to provide different levels of comfort during the warmer days.

Available on LTD.

Climate control

Enjoy a one-touch comfort by simply setting your preferred temperature, the automatic system will monitor and maintain the temperature until you change or cancel it.

Available on EX and LTD.

Electrochromic rear view mirror

Electrochromic rear view mirror automatically controls the glare from the headlights of the vehicle behind you.

Available on LX Plus, EX and LTD.

Cargo space

The rear seats split 60:40 and fold flat for a maximum cargo space of 1,428 litres (VDA)* to handle road trips, big shopping days and sporting events.

Available on LX and LX Plus.

Information contained herein is for comparative purposes only. Specifications at any given time may vary to the above. Specifications, equipment and colours shown in this brochure are subject to change without notice or obligation.*Fuel consumption figures are based on ADR81/02 test results. They are useful in comparing the fuel consumption of different vehicles. They may not be the fuel consumption achieved in practice. This will depend on traffic and road conditions and how the vehicle is driven. Actual results achieved will differ according to operating conditions and driving style. **Not all handsets may be compatible. ***Works with Qi compatible smartphones/devices only. ®Apple CarPlay: Requires an iPhone 5 or later and it is recommended to always update your iPhone to the latest iOS release. Use the Apple Lightning® cable provided with your phone or, Apple certified Lightning cable. †Android Auto: Requires an Android phone with Android 5.0 Lollipop or higher. It is recommended to always update your phone to the latest OS release. Use the USB cable provided with your phone. Kia Motors cannot guarantee continued compatibility.

The environment

ECO-CONSCIOUS

So you value sustainable living? We do too.

That's why we take pride in rising to meet the expectations and challenges of the 21st century while making tangible contributions to the preservation of the environment and sustainable development of society.

Our environmental research centre spearheads our drive for the production of clean hybrid and fuel-cell vehicles to lead the way to eco-friendly cars for a greener tomorrow for you, your children and all of us.

From design through to recycling, we create innovative products, adhering to state-of-the-art Design for Recycling (DfR) guidelines. Even at the end of your car's life, we aim for eco-friendly return and treatment.

Operating a rigid process, we guarantee environmental protection in the treatment of harmful waste substances. These are then recycled or recovered, ensuring the highest level of environmental protection.

As you can see, what you do on a small scale with your household refuse, we at Kia Motors do on a large scale.

Services

5 YEAR Warranty Programme (OR UP TO 100,000KMS)

All new Kia Passenger Vehicles come with an impressive 5-Year/100,000 km (whichever comes first) Warranty Programme covering against manufacturing or assembly defects. This warranty programme is transferable between owners and emphasises our commitment to our customers.

5 YEAR Roadside Assist

A Roadside Assistance Programme for the duration of the Warranty Period is also offered on every new Kia at no cost. In the unlikely event that your Kia has broken down, help is only a call away and trained staff will be despatched to your location. If a repair cannot be conducted on the spot, the vehicle will be towed free of charge to the nearest Kia dealer.

INCIDENT CARE

If you and your new Kia were unfortunately involved in an incident or crash that requires body repairs to your Kia, Kia Incident Care is here to help you, and is free for the first five years.

Visit [Kia.com/NZ](https://kia.com/nz) for full details and terms & conditions.
