

Kia Sorento

Diesel / HEV / PHEV

Movement that inspires

AUGUST 2024

Overseas Model Shown

Sorento. Everything a luxury SUV should be.

Abundant interior space, the choice of strong and efficient powertrains and next generation technology come together in a stunning new design.

The new 7-seater Sorento redefines full-sized luxury with a style and sophistication that is unmistakably Kia.

Movement that inspires

Overseas Model Shown

To the power of three.

Sorento gives you the choice of three advanced powertrains, each offering spirited performance and strong towing, combined with outstanding economy.

The new Sorento HEV/PHEV is the first model in Kia New Zealand's line-up to offer future-proof engine technology at the current highest emissions standard (EU6e) that ensures maximum driving pleasure while contributing to the brand's commitment to a cleaner future. Now you can improve your engine's emissions without sacrificing the drive experience.

The Sorento Plug-in Hybrid (PHEV) gives you up to 55kms* of pure electric driving with the electric motor and 1.6-litre turbo-charged petrol engine combining to produce up to 186kW of power and 367Nm of torque.

The Sorento Hybrid (HEV) pairs the same petrol engine with a 1.5kWh battery and 44.2kW electric motor producing 158kW of combined power and 367Nm of torque.

The Sorento Diesel is the towing monster of the trio, generating 148kW and a huge 440Nm of torque with a 2.2L CRDi turbo diesel engine. Matched to an 8-Speed, Dual Clutch Transmission with Shift-By-Wire and Active AWD, the Diesel Sorento models perform with authority, both on and off road.

First class cabin.

With gorgeous details, rich textures and immersive sound, the interior of the new Sorento is a sublimely calming place to be.

There are so many special touches, you'll still be discovering new ones, long after your first drive.

Overseas Model Shown

Overseas Model Shown

3-stage heated front seats* and 3-stage ventilated front seats** with dual zone comfort control. Ventilated & heated 1st row seats and heated outer 2nd row seats available in Water and Premium models. With smart temperature comfort control, the Sorento automatically switches on the driver's heated seat and steering wheel* or ventilated seat if there's a big difference between the climate controls and the actual cabin temperature.

So accommodating.

Generous legroom and luxuriously supportive seating allow up to seven people to travel in complete comfort.

Stretch out and enjoy the journey, knowing you'll be completely refreshed and relaxed when you reach your destination.

Premium and Water Sorento models feature a 14-way power driver's seat, with 4-way lumbar support, cushion extension & 2-position memory plus a 10-way power front passenger seat.

*Available on Earth, Water, EX, Deluxe and Premium models.

**Available on Water and Premium models.

*Heated steering wheel available on EX, Deluxe, Premium and Water (HEV & PHEV) grades.

Technology in harmony.

Technology works best when you barely notice it. That's the beauty of the new Sorento with a host of intuitive systems working behind the scenes to make driving effortlessly enjoyable.

Ahead of the curve.

The panoramic, curved display integrates two 12.3" screens*, providing driving information, navigation and infotainment in an immersive driver experience. The infotainment touchscreen is completely customisable, so you can set it just the way you like it.

*12.3" Colour LCD Supervision Instrument Cluster available on EX, Deluxe, Premium, Earth & Water models.
4.2" Colour LCD Multifunction Instrument Cluster available on LX+ and Light models.

Automatically switch between climate and infotainment functions using the same set of controls.

With multiple USB ports and a wireless charging pad in the centre console of Deluxe, Premium, Earth and Water models, everyone can stay charged and connected.

Overseas Model Shown

Smart power tailgate.

With the hands-free smart power tailgate*, walk up to your Sorento, simply stand behind it for three seconds for the tailgate to open automatically. The smart power tailgate is customisable so you can pick the best height and speed at which it opens.

*Deluxe, Premium and Water models only.

Deluxe, Premium and Water models only.

The safest place to be.

From the open road to easing into a park, the Sorento's Advanced Driver Assistance System (ADAS) is constantly working to protect you and your passengers.

Diesel Models only. HEV & PHEV models ANCAP Safety rating under review.

Overseas Model Shown

Smart Cruise Control helps you maintain a safe distance from the vehicle ahead. If the vehicle ahead stops the Sorento will reduce the effects of a collision.

Overseas Model Shown

Lane Follow Assist helps you stay safely in the centre of your lane.

Overseas Model Shown

Blind spot Collision Avoidance Assist warns you if there is a risk of collision with a rear side vehicle in the blind spot while changing lanes.

Parking Collision Avoidance Assists - Reverse (PCA) provides a warning if there is a risk of collision with a rear object while reversing. It automatically assists with emergency braking if the risk of collision increases after the warning*.

Make it safely to all destinations with **Forward Collision-Avoidance Assist**. Using radar and camera data, the Sorento will sense the potential for a collision with a pedestrian, car or cyclist ahead and apply emergency braking to avoid or reduce the effects of a collision.

Surround View Monitor displays a variety of views of the situation around the vehicle for safe parking*.

*Available in EX, Deluxe, Premium and Water models only.

DISCLAIMER:

Information contained herein is for comparative purposes only. Specifications are correct at time of printing and may vary to the above at any given time.

* Fuel consumption figures shown are 3 Phase WLTP figures. Actual results achieved will differ according to operating conditions and driving style.

** Safety technologies are supplemental systems and do not replace the need for the driver to exercise care and attention.

*** Leather appointed seats may comprise of genuine leather, and other man-made leather-like materials or a combination thereof.

^ Not all smartphones / devices may be compatible with the vehicle's Bluetooth® and multimedia system.

∞ Apple CarPlay™ requires an iPhone 5 or later. It is recommended to always update your iPhone to the latest iOS release. Use the Apple Lightning® cable provided with your phone, or an Apple-certified Lightning cable. Kia cannot guarantee continued compatibility.

∞ Android Auto™ requires an Android phone with Android 5.0 Lollipop or higher. It is recommended to always update your phone to the latest OS release. Use the USB cable provided with your phone. Kia cannot guarantee continued compatibility.

Specifications apply to 2024 (MY25) Sorento Diesel, HEV & PHEV models. Kia New Zealand Limited reserves the right to discontinue or change the models, features, specifications, options, designs and prices of products referred to in this brochure without incurring any liability whatsoever to any purchaser or prospective purchaser of any such products.

Kia confidence goes further.

FOR I.C.E MODELS

FOR HEV/PHEV MODELS

All new Kia Passenger Vehicles come with an impressive 5-year/150,000km for I.C.E models or 7-year/150,000km for HEV/PHEVs (whichever comes first) Warranty Programme covering against manufacturing or assembly defects. This warranty programme is transferable between owners and emphasises our commitment to our customers.

FOR I.C.E MODELS

FOR HEV/PHEV MODELS

A Roadside Assistance Programme for the duration of the Warranty Period is also offered on every Kia Sorento Diesel, HEV & PHEV at no cost. In the unlikely event that your Kia has broken down, help is only a call away and trained staff will be dispatched to your location. If a repair cannot be conducted on the spot, the vehicle will be towed free of charge to the nearest Kia dealer.

FOR HEV/PHEV MODELS

All new Kia vehicles that are powered by a high-voltage drive battery come with a 8-year/160,000 km (whichever comes first) warranty that covers components found in the drive battery case. In the event that your vehicle becomes immobile due to a high voltage battery or system failure, we'll cover the cost of the tow to the nearest authorised Kia dealer.
