

Family room.

With a 175mm increase in overall length, the Kia Sportage has more room inside for everyone and everything, including up to a huge 543L (Petrol & Diesel) of rear cargo space. If you need more, a simple press of a button lowers the rear seats to reveal up to 1,829L (Petrol & Diesel) of cargo capacity.

The interior is loaded with creature comforts including (depending on the model) dual zone climate control, heated and ventilated front seats and a Harmon Kardon™ eight speaker premium Audio system.

Little helpers.

Deluxe, X-Line and Hybrid Earth models add those extra those extra thoughtful innovations, like a wireless phone charger that reminds you if you leave your phone behind or a smart tailgate that opens automatically when you have your hands full with the groceries. When you're parking or moving at speeds below 20km/h, the Around-View Monitor (exclusive to X-Line) gives you a top-down view of your surroundings.

Power to go.

The new Sportage gives you choice of powertrains and drivetrains, from a smooth Petrol 2WD or a Hybrid with maximum efficiency to a punchy AWD petrol/diesel.

The 1.6 litre T-GDI engine limits fuel consumption through a new, optimised combustion process and breakthrough cooling technologies. Meanwhile, the 2.0 litre, four-cylinder turbo diesel engine features an array of sophisticated technologies to reduce emissions and improve real-world fuel efficiency. The Smartstream™ Hybrid tops the list outputting combined system output of 169kW and 350Nm while sipping only 5.4L of fuel per 100kms (3P-WLTP converted).

POWERTRAIN	DRIVETRAIN	POWER	TORQUE
2.0L Petrol	2WD	115kW	192Nm
1.6L Turbo Petrol	2WD / AWD	132kW	265Nm
1.6L Hybrid	2WD	169kW (Combined)	350Nm (Combined)
2.0 Turbo Diesel	AWD	137kW	416Nm

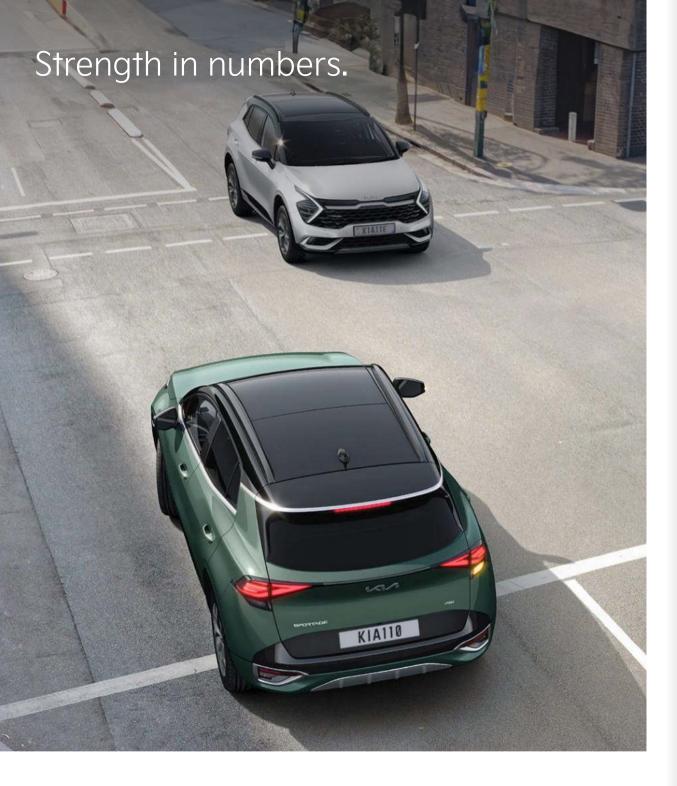

Terrain mode.*

On mud, sand or snow, Terrain Mode gives you extra confidence for outdoor adventures, automatically adjusting the AWD setting to match the terrain and conditions.

With seven airbags and various active safety systems, the Sportage is designed to protect inside and out

Forward Collision Avoidance Assist with Junction View scans for vehicles at intersections, applying the brakes if it detects danger.

The Multi-Collision Braking system helps to reduce the danger of secondary collisions by automatically applying the brakes once the airbags have been deployed after an initial impact.

Lane Follow Assist uses a combination of cameras and radar to maintain a safe distance from the vehicle ahead and scans for road markings to keep you safely in your lane.

More safety. More peace of mind.

When you activate the turn signal, the wide-angle side mirror mounted cameras will display live footage of your blind spots on the 12.3" instrument cluster.*

When parked or stopped, Safe Exit Warning will detect and warn you of approaching vehicles from behind on either side, alerting occupants with a sound and visual warning if they attempt to open the door into oncoming traffic.

Rear Seat Occupant Alert helps alert the driver with a warning on the dash cluster to any passengers that may still be left in the vehicle when exiting.

Choose your exterior.

Information contained herein is for comparative purposes only. Specifications are correct at time of printing, and may vary to the above at any given time.

Specifications apply to 2023 (MY23) Sportage models. Kia New Zealand Limited reserves the right to discontinue or change the models, features, specifications, options, designs and prices of products referred to in this brochure without incurring any liability whatsoever to any purchaser or prospective purchaser of any such products

^{*} Fuel consumption figures shown are calculated using the World Harmonised Light Vehicle Test Procedure (WLTP-3) and are stated for the purpose of comparison. Actual results achieved will differ according to operating conditions and driving style.

^{**} Safety technologies are supplemental systems and do not replace the need for the driver to exercise care and attention.

^{***} Leather seats and other fixtures may comprise of genuine leather, and man-made leather-like materials or a combination thereof.

[±] Not all smartphones / devices may be compatible.

[°] Apple CarPlay™ requires an iPhone 5 or later. It is recommended to always update your iPhone to the latest iOS release. Use the Apple Lightning cable provided with your phone, or an Apple-certified Lightning cable. Kia cannot guarantee continued compatibility

[°] Android Auto™ requires an Android phone with Android 5.0 Lollipop or higher. It is recommended to always update your phone to the latest OS release. Use the USB cable provided with your phone. Kia cannot guarantee continued compatibility.

Kia confidence goes further.

All new Kia Passenger Vehicles come with an impressive5 or 7-Year/150,000 km (whichever comes first) Warranty Programme covering against manufacturing or assembly defects. This warranty programme is transferable between owners and emphasises our commitment to our customers.

If you and your new Kia were unfortunately involved in an incident or crash that requires body repairs to your Kia, Kia Incident Care is here to help you, and is free for the first five years.

A Roadside Assistance Programme for the duration of the Warranty Period is also offered on every new Kia at no cost. In the unlikely event that your Kia has broken down, help is only a call away and trained staff will be dispatched to your location. If a repair cannot be conducted on the spot, the vehicle will be towed free of charge to the nearest Kia dealer.

All new Kia vehicles that are powered by a high-voltage drive battery come with a 8-year/160,000 km (whichever comes first) warranty that covers components found in the drive battery case. In the event that your vehicle becomes immobile due to a high voltage battery or system failure, we'll cover the cost of the tow to the nearest authorised Kia dealer.
