

The all new
RIO

The Power to Surprise

Meet the charming Rio

It's not where you are, it's where you want to go. And getting there takes a car with as much style and drive as you have. Meet the charming all new 2017 Kia Rio. A small car that makes a big impression.

LTD shown

Powerful yet gentle

Under the bonnet of the Rio, the 1.4L petrol engine delivers optimum performance through enhanced fuel economy. No matter whether you're cruising the open road or navigating through rush hour traffic, the engine is always on its best behavior. Reduced vibration and noise make it a joy to drive.

Environmentally friendly

The Rio's engine delivers power when you need it while keeping emissions remarkably low. In fact, low enough to meet EuroV (5) standards as well as your own desire to leave a smaller carbon footprint behind you. We're talking 74kW @ 6,000rpm and 133Nm @ 4,000rpm of torque.

Your choice of automatic or manual transmission

A 4-speed automatic transmission turns the power into a smooth, effortless drive. But if you love going through the gears, you'll love the quick, precise shifts of Rio's six-speed manual transmission.

Peace of mind

Six airbag system

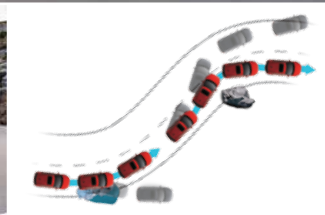

Reverse parking sensors

Straight Line Stability

Cornering Brake Control

Electronic Stability Control

Advanced high-strength steel and reinforced chassis mean greater rigidity and increased occupant protection. You want top stability and handling? Tick. How about lower interior noise? Tick.

Rio has a range of active and passive safety technologies to keep you and your passengers safer on the road.

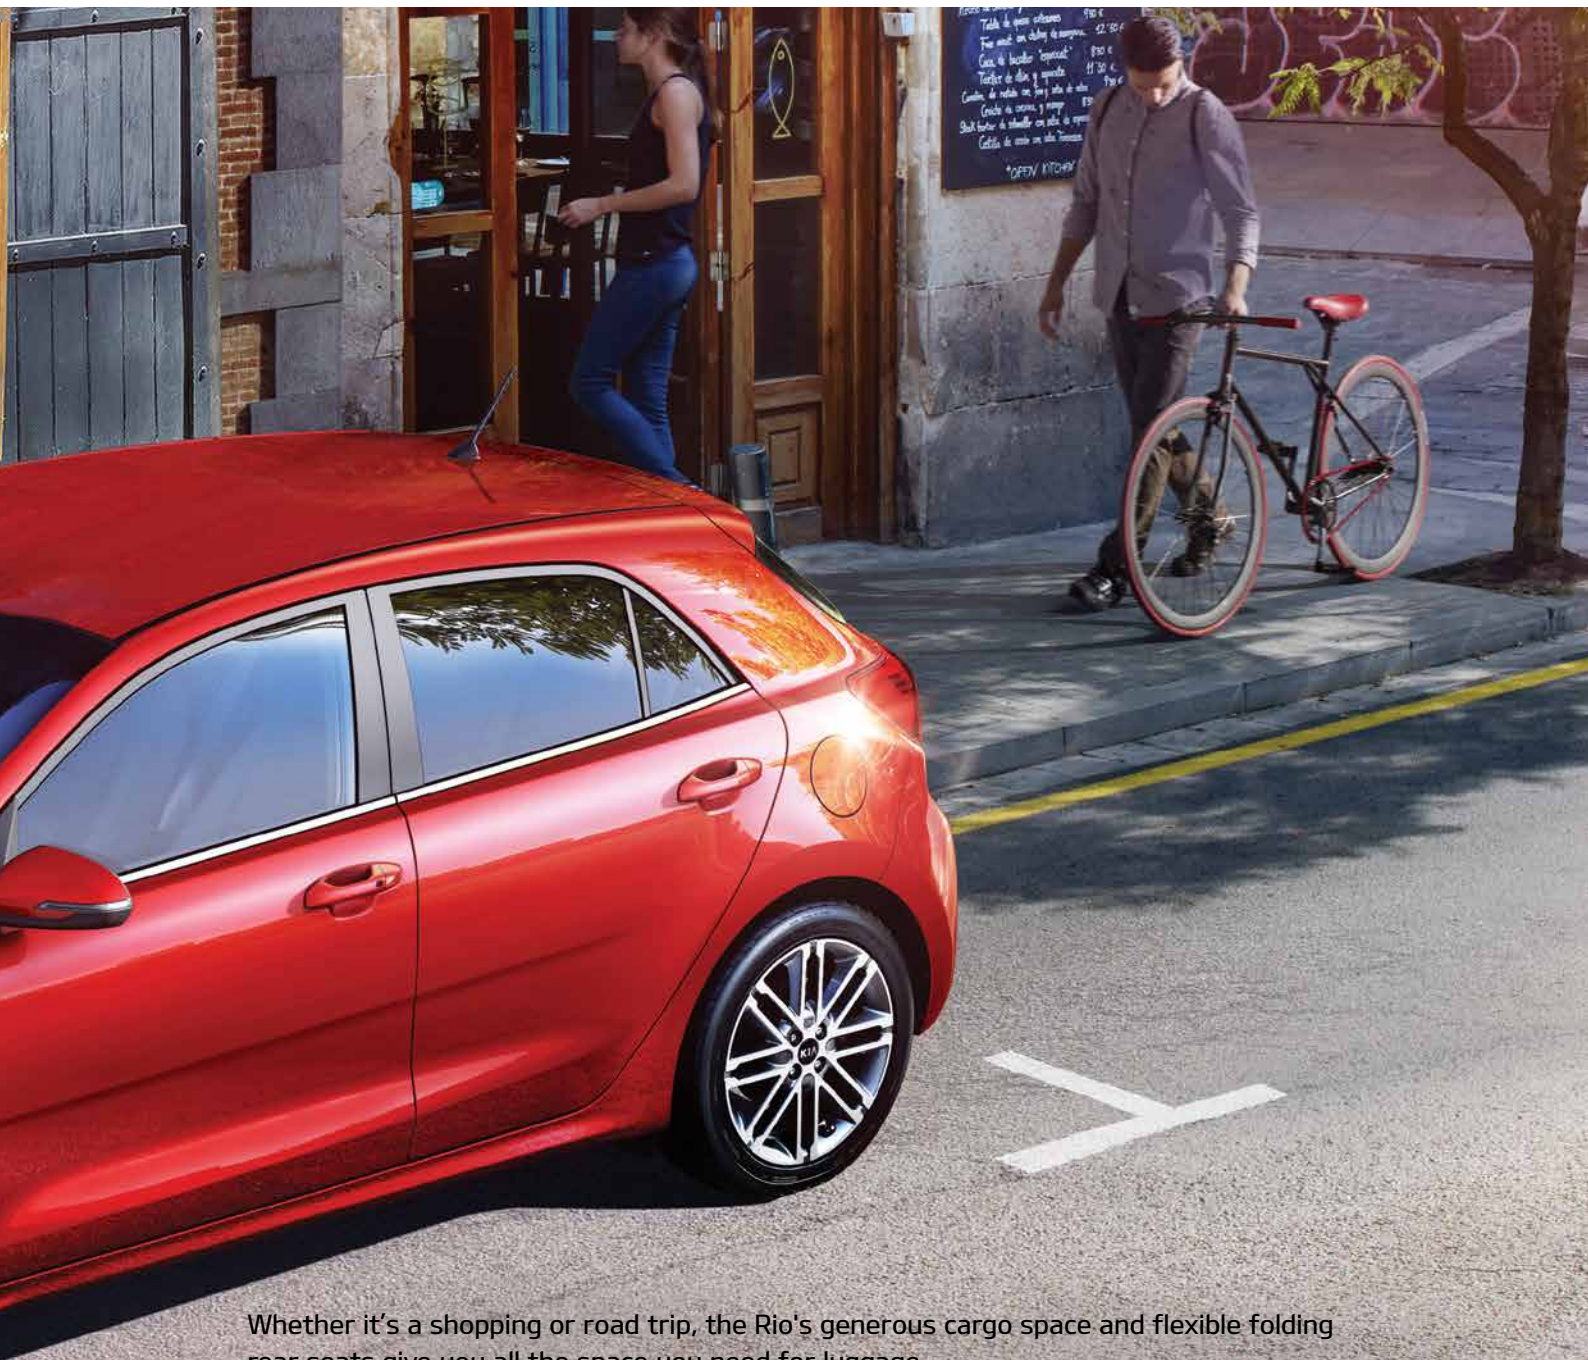

- When you need to stop in a hurry, Straight Line Stability technology ensures variable braking pressure to the left or right wheels, keeping you straight until you come to a stop.

• When you're braking through corners, the Cornering Brake Control works in conjunction with the brake operation and your steering direction to get you through the corner in one piece.

- When roads are wet, slippery or rough, the Electronic Stability Control gives you improved handling.

Adventure awaits

Whether it's a shopping or road trip, the Rio's generous cargo space and flexible folding rear seats give you all the space you need for luggage.

You'll love the way it rides, regardless of where you're heading. The all new Rio boasts an enhanced chassis for more immediate and agile handling, plus more ride comfort for you and your passengers.

With three levels of specification, and the option of manual or automatic transmission in LX, you can choose the Rio that's a perfect fit for your lifestyle.

Be seen in all the right places

Smart cornering lights

LED rear tail lights

LED daytime running lights

LED side indicators

Distinctive LED daytime running lights ensure your position on the road is visible to others at all times, while LED tail lights do more than boost your visibility in the evening - they add attitude to the rear. Then there's the bonus of smart cornering lights, which shine additional light in your intended direction.

Keeping you connected

7" Colour touch screen audio system

Android Auto & Apple CarPlay

Reversing camera

Satellite navigation

The world is only one touch away with the Rio's infotainment system. Use the 7" colour touchscreen to drive the 6-speaker audio system, find real-time traffic information and connect your smartphone for Apple CarPlay or Android Auto. You're always in control of the music with USB, AUX and Bluetooth on-board.

The reversing camera provides a comprehensive view of what's behind you. Dynamic reversing guidelines and audio alerts are linked to the steering, so it's no hassle getting into those tight parking spots.

Apple CarPlay: Requires an iPhone 5 or later and it is recommended to always update your iPhone to the latest iOS release. Use the Apple Lightning® cable provided with your phone or, Apple certified Lightning cable.

Android Auto: Requires an Android phones with Android 5.0 Lollipop or higher. It is recommended to always update your phone to the latest OS release. Use the USB cable provided with your phone.

Kia Motors cannot guarantee continued compatibility.

Take command

**Start/Stop button
+ Smart Key**

Telescopic steering wheel

Cruise control

Bluetooth® hands-free

You don't have to take the Smart Key out of your bag or pocket to get into the car - simply touch a button on the door handle to lock or unlock your Rio. The same goes for starting or stopping the engine. Leave your key where it is and use the Start/Stop button.

Make yourself more comfortable by adjusting the tilt of the steering wheel, then pull it closer or push it further away. On the steering wheel itself you'll find all those important controls. You can easily engage cruise control, adjust the stereo or take calls without your hands leaving the wheel.

Electrochromic mirror

Auto defog system

Supervision cluster with 3.5" LCD screen

Auto climate control air conditioning

With the new Rio there's just less to think about, so you can concentrate on the road and enjoy your drive.

- Electrochromic mirror automatically dulls the glare of headlights behind you.
- Auto defog system detects any moisture on the windscreen and adjusts the heat and fan settings to clear it.
- Air conditioning automatically maintains your desired temperature once it's set.

- Customisable supervision cluster keeps you up to date with trip data, fuel consumption and outside temperature.
- Headlights turn on and off automatically, depending on the level of light outside.
- Windscreen wipers automatically turn on when it rains and change speed to suit conditions.

It's all about you

Feel proud when you see the Rio parked on the street or in the garage. Get excited when you're driving surrounded by sophisticated features and clever technology. Have confidence knowing you've got a car with all the latest safety gear. Plus, with Kia's 5 Year Warranty Programme, 5 Year Roadside Assist and 24/7 Incident Care, be satisfied you've made the right choice.

It's all in the details

60:40 split folding rear seats

Rear USB charging port

Auto light control

Rain sensing wipers

The rear seats split 60:40 and fold flat, so you can carry more cargo – even with three people in the car. Your rear passengers won't risk their devices going flat either, thanks to the additional USB port mounted at the back of the centre console.

The environment

ECO-CONSCIOUS

So you value sustainable living? We do too.

That's why we take pride in rising to meet the expectations and challenges of the 21st century while making tangible contributions to the preservation of the environment and sustainable development of society.

Our environmental research centre spearheads our drive for the production of clean hybrid and fuel-cell vehicles to lead the way to eco-friendly cars for a greener tomorrow for you, your children and all of us.

From design through to recycling, we create innovative products, adhering to state-of-the-art Design for Recycling (DfR) guidelines. Even at the end of your car's life, we aim for eco-friendly return and treatment.

Operating a rigid process, we guarantee environmental protection in the treatment of harmful waste substances. These are then recycled or recovered, ensuring the highest level of environmental protection.

As you can see, what you do on a small scale with your household refuse, we at Kia Motors do on a large scale.

Services

5 YEAR Warranty Programme (OR UP TO 100,000KMS)

All new Kia Passenger Vehicles come with an impressive 5-Year/100,000 km (whichever comes first) Warranty Programme covering against manufacturing or assembly defects. This warranty programme is transferable between owners and emphasises our commitment to our customers.

5 YEAR Roadside Assist

A Roadside Assistance Programme for the duration of the Warranty Period is also offered on every new Kia at no cost. In the unlikely event that your Kia has broken down, help is only a call away and trained staff will be despatched to your location. If a repair cannot be conducted on the spot, the vehicle will be towed free of charge to the nearest Kia dealer.

INCIDENT CARE

If you and your new Kia were unfortunately involved in an incident or crash that requires body repairs to your Kia, Kia Incident Care is here to help you, and is free for the first five years.

Visit [Kia.com/NZ](https://kia.com/NZ) for full details and terms & conditions.

Sponsorship

Australian Open

Kia has been the major sponsor of the Australian Open every year since 2002, when Thomas Johansson and Jennifer Capriati were crowned champions. And with our new agreement through to 2018, we're set to become the longest running major sponsor in the event's history. Every year we supply Tennis Australia with more than 100 Kia cars to ensure the memorable and comfortable participation of the world's top tennis players, VIPs, officials and media.

Hurricanes

In becoming a Major Partner of the Hurricanes in 2016, Kia has added to an impressive sports sponsorship portfolio that includes the FIFA World Cup, Australian Open and UEFA European Football Championship™. Sponsoring the Hurricanes away jersey allowed Kia to build its brand both within New Zealand and internationally. Investec Super Rugby is widely considered the finest professional club-based competition in the world, and the Hurricanes are a perfect partner for Kia. We're a nation of sports fans and this partnership represents something fresh and thrilling with 'The Power to Surprise'.

Halberg Disability Sport Foundation

At Kia we're committed to supporting worthy causes in our local community, including the Halberg Disability Sport Foundation.

Started by Olympic champion Sir Murray Halberg (ONZ) in 1963, the foundation aims to enhance the lives of physically disabled people, their families and communities, by enabling them to participate in sport. CEO Geoff Burgess says the Kia fleet plays an important role in enabling the foundation to move around the community and further its aims. "It's been an excellent partnership, especially at our grassroots level (in terms of) linking physically disabled young people to sporting opportunities."

NRL Auckland Nines

Kia is proud to be an official partner of the NRL Auckland Nines, as well as the official vehicle and automotive partner for the tournament. The NRL Auckland Nines event sits well with Kia's values, including its commitment in the creation of modern, high quality vehicles and the brand's youthful and dynamic values. The Auckland Nines are a perfect partner for Kia, helping to elevate the brand on a national level. It's all about the fans, we're a nation of sports fans and this tournament represents something fresh and thrilling with 'The Power to Surprise'. It breaks the mould and offers a unique experience that no other tournament can provide, just like our vehicles.
